

IROQUOIS SCHOOL DISTRICT

Sunday Athletics Policy

(Adopted: 09/17/1991)

(Reviewed: 03/18/2003)

DEFINITION:

The Iroquois School District prefers not to schedule athletic contests or practice on Sunday.

Nevertheless, should the PIAA schedule a post-season contest on a Sunday, our school would participate. In addition, should the PIAA schedule a post-season contest on a Monday, the head coach may request a Sunday practice for varsity athletes. However, before Sunday contests or practices are scheduled, written pre-approval from the Superintendent must be obtained.

Finally, participation by any athlete on a Sunday must be optional.
