

SPRING 2008 PRESQUE ISLE BIKE TIME TRIALS

SUNDAY, APRIL 27, 2008

Welcome to the Spring 2008 Presque Isle Bike Time Trials. The following is a partial list of information, rules, and regulations that will help ensure a safe and well-run race. Please check the attached table (starting on page 2). It contains your information as it is entered in the event database, along with your start time. If there are any corrections to be made, you MUST call Mike at 814-899-7643 BEFORE RACE DAY.

1. Registration will take place at the Beach #1 Parking Lot by the restrooms starting at 7:30 a.m. Registration packets will be distributed alphabetically using three lines at the registration table. Your packet will contain a standard numbered bib and matching numbered bike frame placard. The bib must be placed on your back and the placard attached to your frame in such a way that the number can be easily identified at the finish line. The packet will include 4 safety pins for attaching the bib and 2 twist-ties for attaching the placard. You may also receive a matching numbered timing chip at the registration table. If so, the chip must be attached to the front wheel of your bike. If you have never installed a chip on your bike before, other riders who have can assist you.
2. All riders must register in person; we will not allow anyone to pick up registration packets for other riders.
3. We will do our best to send your t-shirt to your home if you do not attend the race, but there is no guarantee of this. Shirts can be picked up at the registration table at the Beach #1 Parking Lot, before 10:00 a.m. To receive your shirt, you must return your bib, frame placard, and timing chip (if applicable) that was assigned to you for the race. If you want your shirt but are not going to race, please inform the registration table that YOU ARE NOT GOING TO RACE.
4. You must check in at the starting line at least 5 minutes before your starting time. You may continue to warm up after you check in at the starting line.
5. If you miss your starting time, you will be allowed to start in between two other riders as soon as the head starter can fit you in; HOWEVER, there will be no official adjustment in time.
6. All riders must stay in the right hand lane during the entire race. Riders seen leaving the right hand lane to cut a corner will be given a 30 second penalty for each violation.
7. The No Drafting Rule will be strictly enforced. NO WARNINGS IF YOU VIOLATE THIS RULE. DRAFTING is defined as follows: Riding behind or to the side of another rider at a static distance of two bike lengths or less. You will be required to move out of the pass zone within 10 seconds or drop back. Cyclists will hail other riders when passing. Officials will be at several locations throughout the race to monitor drafting.
 - A. First reported offense -- 1 Minute Penalty
 - B. Second reported offense -- 5 Minute Penalty
 - C. Third reported offense -- Disqualification
8. No support personnel are allowed to assist riders. A rider is not allowed to receive assistance from anyone unless the rider is in the 9 and under age group. This includes, but is not limited to, friends following or preceding rider in a car, motorcycle, or bike for any purpose, i.e. encouragement, videotaping, passing a water bottle, etc. (The 9 and under age group will be permitted to have an adult ride a bicycle behind them through the race. PARENTS PLEASE DO NOT CROSS THE FINISH LINE IN THE RIGHT HAND LANE.
9. PLEASE DO NOT DISTURB THE TIMERS AT THE FINISH LINE. All times will be posted at the awards area at the end of the race.
10. RIDERS ARE NOT ALLOWED TO CROSS THE FINISH LINE WHILE WARMING UP OR DOWN. Crossing the finish line while warming up or down could cause an error in the finish line results that could throw off the entire event results.
11. Your bike must have two functional brakes. (BMX bikes or bikes with coaster brakes are an exception to this rule).
12. All riders MUST wear helmets. You will not be allowed to start the race without a helmet and you will be disqualified if you are seen without your helmet during the race.
13. ROAD CONDITIONS WARNINGS: If it is raining or has rained on the day of the race, use extreme caution when making turns.
14. Each cyclist should ensure that their bicycle meets minimum safety standards including glued and sealed tires, tight head set and handle bars, and true wheels.
15. Awards will be presented at the Beach #1 Parking Lot, same as registration. As soon as results are ready, awards will be presented.

All riders 9 and under will receive special recognition at the beginning of the awards presentation - each will receive a certificate of completion.

DIRECTIONS -

From Pittsburgh: I-79 north to West 12th Street, turn left (west) to Peninsula Drive, turn right to Presque Isle State Park.

From Ohio: I-90 east to (old) Exit 18 (Route 832) - Presque Isle State Park

From New York: I-90 west to (old) Exit 18 (Route 832) - Presque Isle State Park

CAUTION: There may be construction on I-79 and on I-90. Please be aware of these delays when arriving for your start time.
