

PRESQUE ISLE SPRING

BIKE TIME TRIALS

SUNDAY, APRIL 26, 2009

Starting at the entrance to Presque Isle State Park, Erie Pennsylvania

A 12.5-mile loop around scenic Presque Isle

1st rider leaves at 8:00 a.m., others at 15-second intervals

Proceeds benefit the Iroquois School District Foundation

SUMMARY OF REGULATIONS

1. Helmets are mandatory.
2. Drafting, motor pacing can result in disqualification. Absolutely no support personnel of any kind. (Children in the 9-and-under age group may have an adult ride behind them).
3. Riders must check into the starting line 5 minutes before their start time. No rolling starts. Riders missing their start time – no re-registration will be allowed.
4. Absolutely no rider substitutions will be allowed.
5. Riders are not allowed to cross the finish line in the right lane of traffic while warming up or down.
6. Riders must stay in the right-hand lane throughout the entire course.
7. Bicycles must have two functional brakes or coaster brake.
8. Bicycles may have extended handlebars (i.e. DH style), spoke covers (on front and rear) but no other aerodynamic fairing devices (windshields, etc.) that are not an integral part of the frame. Discs that replace spokes, aerodynamically designed components such as aeroframes, handlebars, pedals, spokes, rims, brakes, helmets, clothes, etc. are acceptable.
9. Bike numbers must be returned to the Registration Table in the award area to receive shirt.
10. Failure to mark shirt size on the application will result in an X-Large for males and Large for females.
